GOVERNMENT OF MYSORE

1/3/95

My dear Sir

I have examined the Treasury cash balances – cash & notes – of them carried –

I have likewise the old Indian uncurrent coins and Copper double The Auditor Gen is very busy today in making payts & Salary bills

I propose likewise the uncurrent coins by

business at present.

The balance shown on remarks with the Bank does not tally with the Bank Pass Book which has not been written up to date. I have therefore asked the Bookkeeper to send the correct balance on this date on the Bank and let me know with an explanatory memo of the difference. Some of the cheques issued remain uncashed either at the Bank or on hand; hence the difference between the two amounts. Kindly send your Cash Balance statement on the

RAILWAYS.
